

Driver's Education

Western Montgomery Career and Technology Center

We are an Approved PennDOT Skills Testing School. We can administer the driving test for you. Call for information and exclusions.

Petaccio's Driving School (www.RoyersfordDrivingSchool.com), located in Royersford, will be offering a state approved **30 Hour Driver's Education** instructional class at the Western Montgomery Career and Technology Center. This course is being offered to all students who will be at least fifteen years old as of the first day of class.

The goal of the class is to educate the student in the responsibilities and dangers of operating a motor vehicle in today's world. The class will teach your child the techniques of defensive driving. The successful completion of this class will entitle your student to a discount on Behind the Wheel instruction by Petaccio's Driving School, it may also result in the student receiving their senior license sooner and possibly reduce insurance rates as much as 15% (check with your insurance carrier). **We also have PennDOT approval to give students their final on-the-road skills test.** This means the student will be able to take their driving test locally (no running to the DMV) and they also will not need to Parallel Park on their test. Please call for a complete list of requirements to be eligible for us to test your student.

Class size is limited to 26 students and will fill quickly. Information on Behind the Wheel instruction will be provided to students during the class.
